

## Project Description

---

This school, built in the heart of the Cape wine lands, accommodates 1300 learners.

In a collaboration between SA Libraries, the IDT and the Western Cape Department of Education, a state of the art library and computer centre was constructed to serve a dual purpose: to serve learners at the school, as well as a substantial adult community in the school's catchment area.

## Project Profile

---

Contract Value:	R18.9 Million
Completion Date:	June 2011
Duration:	12 months
Architect(s):	Eugene da Silva of Emerging Architects
Others:	Bernie de Jongh of IDT
