

Project Description

Extension to the existing Mediclinic Medforum: construction on the remaining 1800 m² of the site includes three levels of basement parking, ground floor parking, a bulk oxygen store, service yard and associated service areas. The first floor of the extension will accommodate an ICU and High Care Unit, the second floor will house adult and paediatric ICU and high care wards while the neonatal ICU and high care wards as well as a 35-bed gynaecology unit will be accommodated on the third floor. Hospital Administration will be housed on the fourth floor. The external façades of the existing hospital building will be redecorated as part of the contract.

Project Profile

Contract Value:	R161 Million
Completion Date:	September 2017
Duration:	25 months
Architect(s):	Graceland Architects
PQS:	TMS QS
